

# Southwest Media Contact Meeting

**April 30, 2009**

*Sponsored by the SIEC and the  
Indiana Department of Education –  
Office of Learning Resources*

When topics for future meetings were discussed at our winter media meeting, book repair was the most highly recommended. So book repair is the theme for our Spring Media Contact Meeting. Brian Shea of Demco will present a practical, hands-on session where participants learn and practice book repair. Those in attendance will receive a Demco Book Repair kit and will gain skills that can be shared with other staff members or library volunteers. At the end of the session, participants will be able to:

- Successfully repair torn and ripped pages, broken covers, and hinges on books
- Maintain overall book appearance
- Help to prolong the life of their circulating collection

Be sure to bring two discarded books which you can use to practice on.

The meeting will include lunch and a sharing time for media specialists and media assistants. Please bring along a book or a book display idea you would like to share. The book could be a favorite of yours, a favorite of your students, or a new addition to your library. Or bring along a book display idea that you have used in your library that you could share with others. Becky Gasaway is the host Media Specialist so you will also have a chance to tour the Heritage Hills High School Media Center. Registration will begin at 11:45 noon (Eastern Time) with lunch being provided at 12:00.
